(INCLUDING COVER SHEET)

\* Found a couple that were actually  
in the parking lot.

Crashes at 151<sup>st</sup> St. and Thatcher Rd.:

2 accidents: Thought vehicle in front was turning, hit rear of vehicle 2.

2 accidents: Did not see v2 stop. Hit rear of v2.

3 accidents: Did not see v2 coming.

3 accidents: Drivers pulled in front of traffic.

2 accidents: Vehicle 1 did not stop in time to avoid a collision. Hit the rear of v2.

Disregarding a stoplight.

4 accidents: Stopped traffic, in the act of turning in front of traffic, drivers did not see oncoming traffic due to other drivers "letting them out".

While reversing, hit v2.

Frost blurred vision, driver hit pedestrian.

Driver 1 looked down as he was driving. Ran red light, colliding with cars having the right of way.

2 cars could not see around a pile of snow. Pulled out in front of another vehicle.

2 accidents: Merging into traffic, unable to see v2, causing them to collide with v2.
